2019 Sauvignon blanc VDP.Gutswein

Sauvignon Blanc, also known as Blanc Fumé, Sauvignon Jaune or Muscat Sylvaner, is a white wine grape variety of uncertain origin but widespread. Our Sauvignon blanc is deliberately planted in cooler climates to preserve its freshness and lightness. It grows on rather strong, clayey soils.

WINE fine gooseberry aromas, exotic fruits in the fragrance like passion fruit and lychee, a touch of green apple in the finish, delicate freshness, typical grassy vegetative

SITE Pfalz, a mixture of different types of soil and sites

HARVEST selective harvest

VINIFICATION Careful processing of the grapes, cold maceration, steel tank

STORABILITY 3-5 years,

TO DRINK WITH perfect aperitif wine, iced on terrace and balcony, for light summer cooking, salad with goat cheese

DRINKING TEMPERATURE ca 10° Celsius
